DETAILED ACTION

Status of Claims

1. This action is in response to the RCE filed on 04 December 2005.

Notice of Non-Compliant Response

2. 37 CFR 1.121 states that whenever there is any amendment to a claim, a claim listing of all claims ever presented in the case must be supplied in ascending numerical order. In addition, the claim listing must include:
 - The **claim number** of every claim ever presented in the application, whether entered or not;
 - A **status identifier**, in parentheses, following each claim number;
 - The text of all pending claims (including withdrawn claims); and
 - **Markings** to show the changes made only to the current amendment relative to immediate prior version.
3. The seven (7) permissible status identifiers are:
 1. **(Original)**: Claim filed with the original specification.
 - Not added by a preliminary amendment and
 - Not previously amended.
 2. **(Currently amended)**: Claim being amended and which is not withdrawn from the current amendment.
 - Must include markings (strikethrough, double brackets, or underlining) to indicate changes.

3. **(Cancelled):** Claim cancelled or deleted in current amendment or previously cancelled/deleted.

- Do not present the text of a cancelled claim.
- Consecutive cancelled claims may be grouped together (e.g. claims 1-5 (cancelled)).

4. **(Withdrawn):** Non-elected claim.

- The text of a withdrawn claim must be presented.
- Currently amended withdrawn claims must be presented with markings (striketrough, double brackets, or underlining) to indicate changes.

5. **(Previously presented):** Claim that was previously added or amended in an earlier amendment paper.

6. **(New):** Claim being added in the current amendment paper.

- The text of the claim must be presented in clean form without underlining.

7. **(Not entered):** Claim presented in a previously unentered amendment.

- Do not present the text of a not entered claim.
- Consecutive not entered claims may be grouped together (e.g. claims 1-5 (not entered)).

4. In the present case, claims 41-43 appear to be new claims, but are not properly identified. In addition, Applicant is counseled to begin the listing of claims on a SEPARATE sheet in order to properly scan the claims into IFW.

5. Applicant has one (1) month to resubmit the corrected amendment.
